TESTIMONIAL

TRACY WILSON

PRACTICE MANAGER AT TODMORDEN HEALTH CENTRE

"The health centre is seen as an important building within the town and there are lots of other social services being provided from here now making it care closer to home, a real one stop shop. With space available to increase acute services further this building has great potential to enhance the patients experience further. A real asset for the population of Todmorden."

Primary and community care centre replacing an 8 GP practice, PCT shared and community services, dental suite, pharmacy, NHS Trust outpatient services, expansion space and 80 car spaces

A truly integrated facility developed by Assura and its partner LSP Developments.

Quickly following appointment, Assura acquired the approved site in May 2006 being only 300m from the old surgery, planning consent was granted in early 2007 and construction commenced in July 2007.

In addition to GMS services, the patients and community can also access x-ray and audiology in the building. Additional clinics provided are female health, diabetic, cryotherapy, respiratory, healthy heart and travel vaccinations.
